

The town of Ryuoh and the Omihachiman Police Station concluded two agreements on July 17th, 2015.

One is about crime warnings in Ryuoh, and the other is about support activity for the elderly who live in Ryuoh.

### **●Crime and Traffic Accident Warning Agreement in Ryuoh**

This agreement was made to warn citizens when crimes or serious traffic accidents occur continuously and have a risk of damaging the citizen's safety or property, by providing information about the crime or traffic accidents.

Warnings will be issued as“Crime and Traffic Accident Warning in Ryuoh” or “Emergency Crime and Traffic Accident Warning in Ryuoh” in the name of the Mayor of Ryuoh.

When the warning is issued, crimes or traffic accidents should be occurring continuously nearby, so please be cautious.

Warning notifications will be published on the official Ryuoh town website, broadcasted on the Ryuoh town radio, and publicized by the town's promotion car.

### **●Support Activity Agreement for the Elderly in Ryuoh**

The aim of this agreement is to build a community in which the elderly and their family feel safe. The Ryuoh Town Hall and the Omihachiman Police Station will be sharing information about the elderly who need support.

If the Ryuoh Town Hall receives information about an elderly person who needs support, the Town Hall will carry out necessary support for them and their family, such as visiting their homes and trying to understand their situation.

The Omihachiman Police Department will use information from the Town Hall to effectively search for missing people and identify people in need of aid.
